

## Employee Capital Plans (PPK) – cooperation offer

## Dear Sir or Madam,

we are pleased to offer you cooperation as a part of the Employee Capital Plans.

We are the most frequently awarded investment fund company (TFI) on the market and currently manage assets worth more than PLN 14 billion. We offer our over 25-years experience in managing investments in Poland and a stable team of experts.

More information on the website: [generali-investments.pl](https://generali-investments.pl).

## Our offer – key information

### Management fee

From 1 July 2020 it will be **0.4%** of the sub-fund's net assets annually. In accordance with the Act on Employee Capital Plans, the maximum management fee shall be 0.5%.

### Variable fee based on performance

Not more than **0.1%** of the sub-fund's net assets annually – after the conditions of the PPK Act are met.

### Fees for conversions between the funds

Always **PLN 0** – we do not charge this fee, even for the third and consecutive change.

### Other fees and costs

Depend on a specific sub-fund. You can find more information in Art. 50 of the PPK Act.

## Funds adapted to the participant's age

The money accumulated within the PPK will be invested in Target Date funds, named Generali Horzont, also referred to as Life-Cycle Funds. The investment policy of the funds will automatically change, as the participants' age approaches 60, to limit the investment risk.

Age of the participant*	Percentage of bonds and other debt securities in which the fund invests	Percentage of shares in which the fund invests
18–40 years old	20–40 percent	60–80 percent
41–50 years old	30–60 percent	40–70 percent
51–55 years old	50–75 percent	25–50 percent
56–60 years old	70–90 percent	10–30 percent
from 61 years old	min. 85 percent	max. 15 percent

\* The participant's age above is only indicative. The investment policy of the fund is adapted to 5-year age ranges, and the target date of the fund is set to the middle of the given age range, e.g. Generali Horzont 2045 is provided for people born in 1983–1987.

## Concluding the agreement and servicing PPK – what we offer

### Exceptional institution managing the PPK

Before you choose the PPK management institution, you will certainly check:

- experience and financial performance of this institution,
- rules of operating the PPK,
- the process of establishment and service of the PPK.

It is essential to undertake these steps to make sure that the PPK management institution invests in the best interest of your Employees.

### We have long experience and outstanding performance

This is evidenced by the high quality of our services and excellent performance thanks to over 25 years of experience, almost 150,000 satisfied customers and numerous industry awards.

### We have clear rules

Our investment fund company operates in compliance with applicable law and under supervision of the Polish Financial Supervision Authority.

Every year we present the report on the market situation, sub-funds' performance and market projections.

We will assign you to one of our advisers – so that the same professional handles your company's matters from the beginning.

### We will take care of servicing the PPK

Orders placed by your Employees as a part of the PPK will be mainly executed by us. We designed tools to support the tasks that the Employer is obliged to perform in accordance with the PPK Act.

### We share knowledge and provide constant access to information

Our experts are available to you during online training courses and regular meetings relating to investment performance.

Additionally, you and your Employees may use hotlines assigned exclusively to PPK – technical and information hotline. After the user is authorised, s/he may handle formalities and obtain information on investments via these hotlines.

### We have useful tools for servicing the PPK for the Employer

To conclude the agreement and service the PPK, we provide online services for both the Employer and the Employees. The service for the Employer will enable you to automatically conclude agreements for PPK management on behalf of your Employees.

After joining the PPK, the Employer and the Employees receive from us detailed terms of conditions of placing the instructions, information on time limits and system service manual.

We have useful tools for servicing the PPK for the Employees

Your Employees will:

- have individual access to the online service,
- check the balance of payments and investments,
- place orders and instructions, in particular disbursements, transfer payments or refund.

The Employee is eligible to place a disbursement instruction once s/he turns 60 years old. S/he will be able to withdraw the entire amount at once (after deduction of capital gain tax) or 25% at once and 75% in at least 120 monthly instalments (no tax).

Additionally, disbursement will be possible:

- in case of a serious illness of the participant, their spouse or child,
- to cover own contribution for the purchase of a real estate or construction of a house. In this case, the Employee will have to return the disbursed amount within 15 years.

Transfer payment may be executed to another account of PPK, IPA or EPS (PPE), to the account of term saving deposit (bank or SKOK (credit unions)) or to the insurance company.

The refund can be effected before the PPK Participant turns 60 years old – after that the deductions set forth in the Act shall apply.

Thanks to this system, your Employees will not require your engagement in servicing and providing information on their PPK.
